The certificate of conformity is based on an evaluation of a sample of the above mentioned product. Technical report and documentation are at the applicant's disposal. Other standards and Regulations may be relevant to the product, once all relevant CE regulations are complied with, including risk assessment and production control, the manufacturer may indicate compliance by signaling a Declaration of Conformity themselves and applying the CE marking to products identical to the tested sample(s).This is to certify that the tested sample is in conformity with all provisions of Annex I of Council Directive 2014/30/EU, in its latest amended version, referred to EMC Directive. The certificate does not imply assessment of the production and does not permit the use of Lab's logo.
